apartment for sale Alicante Centro 03001, Alacantí

UNIQUE

Located at Calle Castaños, the pure heart of the city of Alicante, where everything happens, this whole refurbished apartment is a one of its kind rara avis.

Its main space, a magnificent day area, includes living, dining and kitchen, an amazing ambience bathed in the warmth of sunshine.

Everything is spacious, but at human scale at the same time. It can both accommodate a big reunion or feel comfortable just for you, your coffee and one book.

CENTENNIAL

Built in 1923, this apartment keeps all the main characteristics of the beginning of XXth century architecture.

The perimetral stone walls, the steel structure in pillars and beams, and the typical mediterranean brick vaults, everything has been extracted from the past to shine revealing all its splendor.

The flooring is the crown's jewel. A luxury mosaico de Nolla, made with small tiles and in perfect condition. There only remain a few examples of this in the whole levante area.

MODERN

Totally renewed in a style that combines the great old architecture with all amenities of the modern life, by using radically actual materials as polished concrete, aluminium plates or mineral composite hybrid surfaces.

All has been designed to enjoy all commodities in a way that dialogues with the old spirit, combining organically with fluidity.

EXCLUSIVE

Surrounded by everything good that Alicante offers. The best restaurants, bars, shops, marina, beach... are just a short walk away.

With big natural and emblematic urban spaces right around the corner, Plaza de Correos, Portal de Elche, La Explanada, La Rambla, the Old Town...

Only a few apartments in Alicante enjoy all this characteristics together.

Only the most exquisite are their lucky owners.
