

apartment for sale Balco De Tarragona, Tarragonès

In the centre of Tarragona, just a few metres from the Central Market — that place where everyday life becomes a little better — lies this third-floor flat without a lift, where the location is its greatest luxury. Here, it's not just about living in the centre, but about living the centre.~~The building is a traditional one, with that authentic feel that can't be manufactured. You climb three flights of stairs (no lift, true, but with a daily reward) and upon opening the door, you'll find a fully renovated flat, designed to be ready to move into without any questions or pending renovations.~~The living-dining room is, probably, one of its greatest strengths. Spacious, bright and organised into two distinct areas. The layout allows each space to serve its purpose without interference, something that isn't always easy to find.~~The kitchen is separate, practical and fully equipped. Functional, comfortable and ready to use from day one.~~In the sleeping area, a double bedroom that invites you to slow down: spacious, peaceful and with ample storage. The versatile single bedroom adapts to whatever you need: a study, a teenager's bedroom, a guest room or even that hybrid space that's an office today and a creative retreat tomorrow.~~The bathroom is complete, well-designed and in keeping with the renovation: modern, functional and understated.~~And then there's something that can't be changed or replicated: the location. Living here means popping down to the market to buy fresh fruit, grabbing a coffee on a whim, getting around on foot and feeling the city come alive right around you. It means going without a car more than you ever imagined. It means experiencing Tarragona on a human scale.~~Shall we arrange a viewing? You're going to love it!~~Call (please use the form to respond) now and ask for more information. We have financial advisors on hand; feel free to ask us for advice with no obligation.~~100% financing available!~~Vesta Soluciones Inmobiliarias: your trust is our priority.
