

apartment for sale Balco De Tarragona, Tarragonès

In Torreforta, where life unfolds at street level and everything is within easy reach, you'll find this flat – one that doesn't overpromise... but more than delivers.~~The flat is laid out in a clear and functional way, with no wasted space or endless corridors. As you enter, the living-dining room opens up as the heart of the home: a comfortable space with plenty of natural light, designed for both everyday life and those moments when you feel like stopping time. There's room here for a cosy sofa, a table for sharing and, above all, life.~~The kitchen is separate, something increasingly hard to find. It is fully fitted and ready to use, with enough space to move around without any awkward manoeuvres. Practical, tidy and a delight for those who enjoy cooking (or simply want everything in its place).~~The accommodation comprises two double rooms and one single room. With no clear hierarchy between them, both offer plenty of space: wardrobes, a desk, a large bed... whatever you need. They are versatile rooms that adapt to different stages of life: couples, working from home, guests, or even that walk-in wardrobe you've always wanted. The bathroom, fully equipped and functional, handles day-to-day needs without any hassle.~~As for the surroundings, Torreforta offers everything you need without having to get in the car: local shops, amenities, public transport and a quick connection to the centre of Tarragona.~~A flat without a lift, designed for those who appreciate simplicity, functionality and authenticity. No unnecessary frills, but with everything you need right where it should be.~~Shall we arrange a viewing? You're going to love it!~~Call (please use the form to respond) now for more information. We have financial advisers on hand; feel free to ask us for advice with no obligation.~~100% financing available!
