

apartment for sale Balco De Tarragona, Tarragonès

Some homes are simply welllocated. Then there are those that manage to put everything within easy reach without compromising on peace and quiet, space and everyday comfort. This flat in Campclar falls into the latter category.~~Set in a wellmaintained building with a lift, parking and a storage room, it brings together those essentials that are increasingly hard to find all in one place. Because yes, square metres matter. So does natural light. But when you can also forget about hunting for a parking space, head home in comfort and have extra storage space, the feeling of home changes completely.~~The property stands out from the very first moment thanks to its wellthoughtout layout and its spacious, comfortable and naturalfeeling rooms. The living area centres around a large openplan living and dining room, the sort of space that invites you to make the most of life. Bright, cosy and with direct access to a terrace that can accommodate much more than just a table and two chairs.~~The kitchen, semiopen to the living room, brings continuity and modernity to the whole space. A practical and functional space that connects to the main area without losing its independence, ideal for those who see the kitchen as part of everyday life rather than an isolated room.~~The sleeping area retains the same sense of spaciousness. Three double bedrooms offer a range of possibilities: spacious bedrooms, a study, a child's bedroom, a dressing room or a guest room. Versatile spaces that easily adapt to different stages of life and lifestyles.~~The home is completed by a full, comfortable and functional bathroom, designed to suit the daily routine of a family or those who simply value living in a spacious home.~~The location is the icing on the cake. In a convenient, wellconnected area surrounded by amenities, with shops, schools, transport and everything you need just a few minutes away. Because there are beautiful homes... and then there are those that also make life easier. And this, without a doubt, is one of them.~~Shall we arrange a viewing?
