

apartment for sale Balco De Tarragona, Tarragonès

This wellproportioned flat stands out for the natural light that fills every room throughout the day. You enter through a welcoming hallway leading into a tastefully updated kitchen with enough space for a dining table. The livingdining room faces a treelined outlook, a pleasant rarity in an urban setting, made possible by the flat's elevated position.~~The property offers four bedrooms: a generous principal suite, a second bedroom currently set up as a TV lounge with its own balcony, a further double bedroom, and a single room used as a home office. Two full bathrooms, both with walkin showers, complete the layout. The building's community is wellkept and neighbourly.~~Set on the second floor with lift access in an established residential district of Tarragona with everyday amenities close at hand — shops, schools, health centres and green spaces all within easy reach. Its proximity to the N340 is a real practical advantage: the city centre is just a few minutes away, Reus is easily accessible, and the A7 and AP7 motorways are close by, making this an excellent base for commuting or exploring the wider Camp de Tarragona area.~~The property also includes a dedicated parking space, a genuine everyday convenience that is increasingly hard to come by.~~No works needed, simply bring your belongings and settle in.
