

apartment for sale Barbate, Janda (La)

Nice first floor apartment without elevator 50 meters from Playa del Carmen. It consists of 2 bedrooms, a bathroom, living room and kitchen, and has a large 60-meter terrace, completely its own, that overlooks a private patio of the community, with trees and plants, where you can place a table and chairs, sun loungers and armchairs. On the terrace there is a closet that is a place to store accessories for the beach.

It is located 50 meters from the seafront, where you can enjoy the hustle and bustle and joy, but it is in a very quiet area where, when you get home you can enjoy tranquility, without noise or commotion. It is a very quiet neighborhood community.

It is a few minutes from the town's shopping center and food market and surrounded by supermarkets and services.

ATTENTION: together with the apartment you can have the option to purchase a private garage with an area of about 15 square meters that also serves as a storage room, located next to the door of the block, in which case the price would increase by 27,500 Euros . The garage does not sell itself.
