

apartment for sale Benijófar, Baix Segura

This ground floor apartment is actually on the first floor because we built it above the parking garage. As a result, it is more than 3 meters above street level.~The apartment is elegant and spacious and offers plenty of light due to the extra high ceilings. A short distance away, you will find some of those typical Spanish bars where you can also enjoy delicious tapas at an affordable price. The location is in one of the best areas of Benijófar, enjoying the peace and nature of the area. The apartment is very suitable for winter visitors or people who want to enjoy their retirement here.
