

apartment for sale Burriana, Plana Baixa

The famous American writer James Albert Michener wrote its famous book Iberia and the first place to visit was Burriana (Castellón) Spain.

In 1960 arrived to Burriana by Ship and the first impression when he was still in the ship was a formidable smell to orange blossom.

Burriana is a quiet city in the Mediterranean beach surrounded by millers of orange trees.

It is well connected by highway and Valencia airport at only 40 minutes by car.

What to tell about this apartment. Marvellous. The sensation of living in a House with 2 terraces, one of tem of 40 square meters.

Another thing that we can tell is luxury. Tasteful details surround us.

If we connect beach, good food, fantastic apartment and good connections with the world, we will realize that the 25000 euros that cost this apartment are a fantastic investment and a jewel for your rest days.
