apartment for sale Calpe, Marina Alta

PREMAX Inmómás presents an exclusive residential development in picturesque Calpe, consisting of 21 homes between apartments and penthouses. This complex is designed for those who value a sophisticated life by the sea, just 900 meters away. The location offers stunning sea views from many units, with flexible options of 3 or 4 bedrooms and up to 3 bathrooms. The properties are strategically distributed to maximize comfort, making them a perfect choice for those looking to buy new housing on the Alicante coast.

The exterior design of the residential complex in Calpe has been carefully conceived to provide a unique outdoor experience. Each property features private terraces ideal for enjoying the Mediterranean climate and sea views, located just 900 meters away. The exteriors are clad with high-quality porcelain stoneware, offering elegance and durability. The proximity to the sea allows for easy enjoyment of water activities and relaxing coastal walks, while the natural surroundings provide a serene atmosphere away from urban noise.

Inside, these homes have been designed with daily comfort and optimal functionality in mind. With modern equipment that includes current appliances and electric blinds, residents will find ease in every corner. Spacious built-in wardrobes ensure organized spaces without visible clutter. The available options allow for choosing between configurations of 3 or 4 bedrooms with up to 3 bathrooms, adapting to various family needs. Elegant finishes such as porcelain stoneware add a modern touch to each room.

This development offers community facilities designed for total enjoyment: from mini golf perfect for family entertainment to landscaped areas that create a relaxing environment. Residents can stay active thanks to the community gym or cool off in the shared pool, while the community jacuzzi and solarium are perfect for moments of absolute relaxation. Additionally, there is a playground ensuring safe fun for the little ones along with community parking facilitating vehicle security.
