Opportunities like this don't come along every day.~~In Vilaseca, in a convenient area with everything close at hand, this flat presents itself as a unique option both for those seeking genuine space and for those who recognise a good investment when they see one. In terms of size, layout and potential, it's the sort of property that fits in with many plans... and all of them are exciting.~~As you step inside, the impression is clear: there's plenty of space here. And what's more, it has a unique feature that opens up many possibilities: it currently lacks a defined living room, allowing you to tailor the space to suit your lifestyle or the project you have in mind. A large living room with an openplan kitchen? An extra space to generate income? It's up to you.~~The separate, fitted kitchen is practical and functional, designed for realworld use, with plenty of space to organise yourself comfortably.~~The sleeping area is clearly separated, providing privacy and order. Four double bedrooms —genuine ones— offer multiple possibilities: master bedrooms, family bedrooms, an office, or even a layout change if you're looking to maximise profitability. Two of them have direct access to a balcony, providing natural light and ventilation. In addition, a single bedroom adds that extra touch that always makes a difference: an office, a dressing room or a multipurpose space, depending on your needs. The full bathroom is comfortable and practical, with everything you need for daytoday use.~~A spacious flat in a great location, with plenty of scope to adapt to different plans: live it up, update it to your taste, or start generating income straight away.~~Shall we arrange a viewing?
