

apartment for sale El Puerto De Sagunto, Camp De Morvedre

There are places that, for reasons difficult to explain, instantly bring a sense of calm.~Homes where you can picture your daily life long before actually living there. Sunlight pouring into the living room, a quiet Sunday morning coffee, or that feeling of finally arriving home and being able to truly switch off.~~This apartment in Puerto de Sagunto offers exactly that.~~The bright and welcoming living room opens onto an exterior balcony, filling the home with natural light and warmth. The kitchen is practical and comfortable for everyday living, with access to an interior patio — an extra space that becomes more valuable with time.~~The sleeping area features two bedrooms. The main bedroom hides one of those special details that truly make a difference: a spacious walk-in wardrobe and direct access to a private interior terrace, quieter and more peaceful... the kind of place that naturally invites you to slow down.~~In addition, the property includes an extra interior room, perfect as a home office, storage area or that versatile extra space we all end up needing sooner or later.~~There is also a guest toilet and a spacious main bathroom with a jacuzzi-style hydromassage bathtub, adding that small everyday luxury that turns a house into a place to genuinely enjoy.~~And if there is something that makes this property especially attractive, it is undoubtedly its location. Puerto de Sagunto has become one of the most sought-after areas for those wanting

to live near the sea without giving up comfort, services and quality of life. The beach, promenade, shops, restaurants, green areas and excellent connection to Valencia make more and more people choose to call this place home.~~Because some properties are simply bought...~and others already feel like home before you even walk through the door.
