

apartment for sale El Verger, Marina Alta

New apartments in a development designed with the environment and sustainability in mind, featuring photovoltaic panels to protect the environment, while also combining different areas within the complex.~~This particular apartment has 2 bedrooms and 2 bathrooms, a living-dining room, an open-plan kitchen, and a spacious terrace. It also includes a private parking space and pre-installation for an electric vehicle charging point.~~These apartments are very well-equipped with ducted hot and cold air conditioning with a heat pump, and an arothermal system for hot water. There is also an elevator.~~The communal areas and their large gardens offer moments of relaxation and strolls without leaving the complex, and even the possibility of playing sports or cycling. Not to mention the wide range of amenities: several swimming pools distributed throughout the complex, a landscaped area with parasols and sun loungers, a social club, allotments for personal use, a gym, a sauna, and more.~~A dream location, but there's more. Residents of this complex enjoy exclusive and private access to a magnificent beachfront space on Almadrava Beach. Here, you can host private events, park your bicycle for trips to the beach, store nautical equipment, shower after a day at the beach, or even take a dip in the pool.~~The complex boasts a perfect location: the beach is just 600 meters away, close to restaurants (500 meters) and supermarkets (900 meters), and a short distance from the town center of Vergel (2.3 km). The center of Denia is only 10 km away.~~More apartments are available in the same complex, with varying sizes and terraces. Please inquire for more information.
