

apartment for sale Ensanche Residencial, Tarragonès

This whole area is well connected with the main exits from Tarragona: towards Reus and the Autopista del Mediterráneo. The Juan XXIII Hospital around the corner and the English Court at the end of the Rambla President Francesc Macià. Shops, nature, services and transport. Nothing more can be wished for. An area one step away from the center. Optional car park

It has a storage room and parking. We all know how difficult it is to park in Tarragona when we're in a hurry or coming from shopping. By the way, the parking is next to the elevator, a luxury. The entire floor, even the bathrooms, exterior. Only one wall meets the neighbor.
