

## apartment for sale Inca, Raiguer

We present a property with enormous potential, located in the heart of Inca, one of the most vibrant and well-connected towns in Mallorca. This spacious apartment of 206 m2 offers a rare opportunity today and the possibility to transform it into a home completely tailored to your needs.~~Situating on the fourth floor of a quiet building with few neighbors, the apartment stands out for its natural light, unobstructed views, and practical layout. It features four double bedrooms, ideal for large families, those who need space for remote work, or anyone seeking spacious and versatile rooms. There are also two full bathrooms, providing daily convenience.~~Although the property requires renovation, this can be seen as an advantage: you will have the freedom to personalize every space according to your tastes, creating the home you have always imagined. The apartment includes a terrace and a balcony, perfect for relaxing, sunbathing, or enjoying outdoor meals. It also comes with built-in wardrobes and a storage room, offering very practical storage solutions.~~The building currently does not have a working elevator, but the location more than makes up for this. You will be just steps away from local shops, supermarkets, schools, cafés, essential services, and only a few minutes from the train station, ensuring excellent connections to Palma and other towns.~~If you are looking for a large, bright apartment in a strategic location, this is a unique option in the Inca market. Perfect as an investment, a primary residence, or a renovation project.~~Don't miss this opportunity! Visit it and discover everything this apartment has to offer.~
