

apartment for sale Joan Alcover-Gesa, Palma

Fantastic opportunity to acquire this apartment located right in Avenidas, with panoramic views over the old town, Palma Cathedral and the Bellver Forest.

The property is located next to Vía Sindicato, one of the busiest streets, due to the number of shops it houses, some of them traditional and emblematic. Despite this central location, the height at which the apartment is located allows you to isolate yourself from the hustle and bustle and typical noise of the city.

The house has 147 m² built according to the Property Registry. It consists of a spacious living room, a kitchen with a large adjoining utility room, 3 double bedrooms with a built-in wardrobe, 2 bathrooms (one of them en suite) and 1 single bedroom, ideal for use as an office if desired. In addition, it has a balcony, accessible from the living room and the master bedroom.

The equipment includes air conditioning in the living room and the three double bedrooms; radiators distributed throughout the house; natural gas; and intercom.

We will gladly assist you to arrange a visit.
