## apartment for sale La Carihuela, Costa Del Sol Occidental

4th and last floor, beautiful to enjoy, a few meters from the sea, on the second line of the beach.

It is a very bright apartment, facing south and with clear views. The common areas of the house have two swimming pools, one for adults and one for children, a beautiful garden area and a multi-sports court.

Upon entering the house we find a hall with two entrances. Through the first you access the kitchen, a good size and with a separate laundry room. And the other access is direct to the social area made up of a dining room, living room and a large, square terrace, which means that it can be used and enjoyed all year round.

The sleeping area has three good-sized bedrooms and two bathrooms.

The house is completed by a very comfortable garage space, right next to the elevator access door and a storage room.
