

apartment for sale La Torre, Plana Baixa

This apartment has direct access to the stone beach just 100 meters away and not far away, you can also enjoy a beautiful sandy beach of Xilxes.

You have two options for your beach days! The best thing is that you walk at two.

There are also playgrounds, a grass soccer field, large green areas, basketball courts and a large promenade to enjoy the views and the sea breeze while walking along it. It is a very familiar and quiet area.

The apartment offers two spacious terraces facing north and south, one of them with artificial grass, ideal for relaxing while sunbathing or enjoying al fresco dining. In addition, the property has a pool in the common area, perfect for those days when you prefer to cool off without leaving home.

Concerned about safety and comfort? Do not be. This apartment has rejas and mosquito nets installed, as well as air conditioning, ceiling fans and portable fans to keep you cool during the hot summer months.

The apartment overlooks the common area but from the street it is not at the height of the sidewalk, it is about two meters high.

In addition, this property includes a garage space for your vehicle and an osmosis water system, guaranteeing pure and safe water for your consumption.

And that's not all. This apartment comes fully furnished and equipped with everything you need to move into immediately. From beach chairs, umbrella, beach cooler, bedding, cutlery, to appliances. Everything ready for your enjoyment!

There are also many hiking and cycling routes nearby and for all levels, having the Sierra de Espadan nearby is a luxury that few places in the world have.

You also have large cities nearby where you can do quality tourism such as Valencia, Sagunto, Castellón as well as many small towns around with great culture, beauty and wonderful Mediterranean cuisine.

Current tourist housing code, in case you want to rent it like airbnb or similar.

Part of payment in cryptocurrencies could be accepted, valued, optional and depending on how I consulted with my advisor.
