

## apartment for sale Lanjarón, Alpujarra Granadina

Impressive apartment very bright with a large terrace (12 square meters) and spectacular views of the Natural Park and with a common pool for very few neighbors. It is located in one of the most luxurious and emblematic buildings in Lanjarón. It has 3 large bedrooms and 2 bathrooms, living room and separate kitchen (furnished and with appliances). Although it is a first floor, it has a third floor height due to the unevenness of the plot and its orientation is southeast to enjoy it all year round. Building built in 2008 with top quality finishes, double glazed windows, marble floors, awnings on the terrace that allow use throughout the year, swimming pool and common areas. Located on the main street of Lanjarón, next to the Spa, surrounded by multiple shops. Unbeatable orientation and views from the living room and the main bedroom to the Natural Park, which will allow you to enjoy from your own home an environment of authentic beauty and tranquility without noise. Very quiet community with few neighbors. Optional garage. If you are looking to live in an enclave like Lanjarón, on its main street and, at the same time, have wonderful views of the mountains, this is your ideal apartment.
