apartment for sale Las Palmas Centro 35002, Palmas De Gran Canaria (Las)

Magnificent apartment for sale, spacious and bright in Las Palmas.

The property is in the commercial area of Triana, capital area, emblematic and unique in terms of facilities and quality of life, just five minutes from Vegueta. It is a very quiet street where you can find everything you need without having to take the car: two supermarkets just outside the house, parking lots of S. Bernardo and 1º de Mayo, greengrocers and Vegueta market, as well as bars, restaurants, libraries, health center and bus stops.

The property is located on the second floor of a three-storey building, where there is only one apartment per floor. It is a family neighborhood community that values tranquility and harmony among neighbors.

The house has plenty of natural light both on the side facing the street and in the interior area where the two bedrooms and two bathrooms are located.

The 68 square meters are distributed in kitchen, dining room and living room, on one side, creating a single space very comfortable and spacious. The interior of the house receives natural light from two interior courtyards (not passable) and consists of a master bedroom and a secondary bedroom, and two bathrooms: one main and one service.

All the windows of the house have double glazing.

For sale from private individual to private individual. No real estate agencies. Thank you very much!
