

apartment for sale Los Alcázares, Mar Menor

Discover these exclusive new build properties set in the privileged surroundings of Los Alcázares, right in the heart of the Costa Cálida. A unique opportunity to enjoy a sophisticated lifestyle by the sea and surrounded by nature.~~This elegant collection boasts modern apartments and penthouses with 2 to 3 bedrooms, designed to offer maximum comfort and functionality. The surface ranges between 67 m2 and 86 m2, all boasting highquality finishes. The penthouses include a private solarium, ideal for enjoying the Mediterranean climate and surrounding views.~~Key features: Spacious and bright living spaces with large terraces, contemporary design, and highquality materials. Situated in a quiet, secure environment, perfect for those looking to reside or invest. The apartments offer extraordinary panoramic views of the stunning surrounding landscape.~~Currently under construction, with a completion date expected in 2026, guaranteeing a modern home with contemporary features. The complex includes ceramic stoneware flooring, aluminium windows with thermal break, and preinstalled duct heating. The equipped Americanstyle kitchen ensures comfort and design. Additionally, it incorporates heat pump services for hot water.~~Among the common facilities are the swimming pool, garden, and large parking area, which, along with the modern architectural design, make this an ideal investment.~~Situated in one of the region`s most exclusive residential areas, close to a golf course and just minutes from the coast. Surrounded by green spaces and magnificent clear views, it perfectly combines the tranquillity of the natural environment with proximity to all amenities.~~Enjoy the delights of the Mar Menor, known as Europe`s largest saltwater lagoon, and experience the privilege of residing in a place where nature and modernity meet perfectly. The location also provides quick access to various beautiful beaches, and excellent motorway connections with Cartagena, Murcia, and Alicante.~~For more details and virtual presentations, you can consult the provided link. Take advantage of this unique opportunity to be part of an exceptional natural environment by the sea.
