

apartment for sale Málaga Del Fresno, Campiña

Located in the vibrant city of Málaga, this exclusive apartment complex offers a unique living experience on the seafront. With a total of 15 units available, each apartment has been designed to maximize the stunning sea views, providing an environment of tranquility and luxury. The proximity to the sea, just 1 km away, allows for the enjoyment of the sea breeze and the relaxing sound of the waves. This prime location not only offers spectacular views but also unparalleled access to the region's beaches. The apartments are available in configurations of 2, 3, and 4 bedrooms, with options of 2 or 3 bathrooms, adapting to the needs of different lifestyles. The integration of advanced technology, such as video intercom and smart home systems, ensures comfort and security in every home. Additionally, built-in wardrobes provide efficient storage, keeping spaces tidy and functional.

~~OUTDOOR AREAS~~The exteriors of this residential complex in Málaga have been designed to complement their natural surroundings, offering an exceptional outdoor living experience. Each apartment features a private terrace, ideal for enjoying the sea views and Mediterranean climate. The proximity to the sea, just 1 km, allows for coastal walks and water activities. The communal garden areas offer a green space for relaxation and socializing, while the community solarium is perfect for sunbathing in a tranquil setting. Access to a garage and community parking ensures that residents always have a secure place for their vehicles. These exterior features not only enhance the quality of life but also add value to the property, making this residential complex an attractive option for those seeking a home in a prime location.

~~INDOOR AREAS~~The interiors of these apartments in Málaga have been carefully designed to offer comfort and style. With options of 2, 3, and 4 bedrooms, each apartment adapts to the needs of families of different sizes. The bathrooms, available in configurations of 2 or 3, are equipped with modern finishes that ensure functionality and aesthetics. The inclusion of built-in wardrobes maximizes storage space, keeping the environments tidy and elegant.

Integrated smart home technology allows control over various aspects of the home, from lighting to climate control, offering a modern and efficient living experience. The video intercom adds an additional level of security, allowing residents to control access to their homes. These interior details have been designed to provide a comfortable and secure living environment, where every element contributes to the well-being of its inhabitants.~~COMMON AREAS~~The common areas of this residential complex in Málaga are designed to promote an active and social lifestyle. Residents can enjoy a fully equipped community gym, ideal for maintaining a healthy lifestyle without leaving home. The community pool offers a refreshing space to relax and enjoy the region`s warm climate. Additionally, the community solarium is perfect for those who wish to sunbathe in a private and secure environment. The garden areas provide a natural and serene setting, ideal for peaceful walks or enjoying a moment of outdoor relaxation. The garage and community parking ensure that all residents have access to a secure space for their vehicles. These common facilities not only enhance the quality of life but also promote social interaction and the overall well-being of the community.
