Manor house of 110m2 useful in a beautiful historic building in the old town of Tolosa. This property located in Plaza de la Verdura, is located in one of the best areas of the center of Tolosa. A 2-minute walk from the train station and bus stop, just a 20-minute drive from San Sebastian. The house is located in a pedestrian area, in short, a quiet and also sunny place. Going up to the second floor by elevator of this beautiful romantic building, with wooden structure, when we open the door we are surrounded by an impressive clarity, luminosity and feeling of spaciousness, which gives us the altitude of the ceilings and the beautiful garden of the interior patio. The house is divided into two well differentiated environments. Upon access to the night area, we find a charming hall that gives access to the 3 beautiful rooms. A majestic double room with dressing room and access to balcony, like the second room, now arranged for the enjoyment and play of the little ones; and a third room with silence d
