Completely renovated apartment in the heart of Torre de la Horadada – 150 meters from the beach

This is a unique opportunity to acquire a completely renovated property (January 2026) in the center of Torre de la Horadada, located in the popular Plaza Antonio Ángel Lozano – one of the most popular and central locations of the village.

Completely renovated and ready to move into

The house was completely renovated with an eye for comfort and modern living. During the renovation, among other things:

The entire electrical system has been renewed

New pipes installed

New walls and floors installed

The result is a modern, light and ready-to-live home that you can enjoy straight away.

Space and comfort

Originally the apartment had 3 bedrooms, but during the renovation the layout was adjusted to create 2 spacious bedrooms and a large living room. This makes the living space feel extra open and comfortable.
