apartment for sale Torrevieja, Baix Segura

If you're looking for a home that combines the spaciousness of a family home with the finishes of a modern renovation, this apartment is a unique opportunity. Located in a prime spot in Torrevieja, just a short walk from the coast, the property has been updated to offer maximum comfort and functionality.~~Spaciousness and design details~Unlike standard apartments in the area, this home stands out for its size and premium features:~~Three bright bedrooms: Spacious and versatile rooms, ideal for a family or for those needing an office or guest area.~~Bathroom with Jacuzzi: An exclusive feature designed for well-being, perfect for relaxing in the privacy of your own home.~~Modern kitchen: A separate, fully renovated and optimized space for those who enjoy cooking.~~Comfort and efficiency: The apartment has pre-installed air conditioning and an efficient LED lighting system that enhances the warmth of the renovation.~~Balcony Terrace: An ideal outdoor space to enjoy the Mediterranean breeze and the atmosphere of the city center.~~Location and Lifestyle~Living in the heart of Torrevieja means having everything at hand without the need for long commutes:~~Proximity to the Sea: A short walk from the beaches and the marina, allowing you to enjoy the Mediterranean every day.~~Complete Services: Surrounded by supermarkets, pharmacies, schools, and a wide variety of restaurants open year-round.~~Connectivity: Just 48 km from Alicante Airport, making it incredibly easy to visit family or use as a second home with easy access.~~Why this property? ~It's a turnkey property, ready to move into without the complications or costs of renovations. Its size (3 bedrooms) and recent renovation make it a sound investment with high demand in both the sales and long-term/vacation rental markets.~~Would you like to see the quality of the finishes in person? We'd be delighted to arrange a viewing so you can discover the full potential of this fantastic apartment.~~NOTE: The images in this listing have been furnished using Artificial Intelligence to illustrate the property's layout and design potential.
