~If you're looking for a place where you feel at home from the moment you arrive, this penthouse in the Parque de las Naciones area has something special. From here, you can see the salt lagoons, a landscape that changes color depending on the time of day and gives you a sense of spaciousness that's hard to find in the city center.~~Practical bedrooms: It has two well-distributed bedrooms. The master bedroom is cozy and comes with air conditioning, something you'll appreciate during the summer months.~~Independent kitchen: Unlike many modern apartments, here the kitchen is separate. It's comfortable, fully equipped, and allows you to cook with ample space and ventilation.~~A proper swimming pool: The communal area is simply one of the best in Torrevieja. It's spacious, very well maintained, and the perfect place to unwind after a day at the beach.~~The location: everything within easy reach~Living next to the Parque de las Naciones is pure convenience. You're in a quiet area, but in five minutes you can walk to the port or the city center.~~No need for a car: You have supermarkets, cafes, and the health center just around the corner.~~Close to the sea: The beaches are a short walk away, so you can come and go without any hassle.~~International atmosphere: The neighborhood is a fantastic mix of people from all over Europe, which gives the area a vibrant atmosphere and ensures that services are available year-round.~~In short: It's a very bright penthouse apartment in an excellent community. It's ideal if you're looking for a home that's easy to maintain but has that "something extra" thanks to its views and the pool area.~~Would you like to come and take a look out onto the terrace and admire the views? I assure you, the natural light in the house is much more impressive in person. Write to us and we'll arrange a time!
