This detail adds enormous value, as it avoids costly future renovations and guarantees greater efficiency and reliability in daily life.~~The home has three bedrooms, offering multiple possibilities

for families as well as those needing extra space. The rooms are bright, welcoming, and versatile, ideal for master bedrooms, children's rooms, a home office, a study area, or even a guest room. Thanks to its functional layout, each space has been designed to maximize comfort and natural light.~~The heart of the home is its inviting living room with an integrated kitchen, an open and modern space that creates the perfect atmosphere for sharing moments with family or friends. The open kitchen provides visual spaciousness and a contemporary sense of continuity, as well as facilitating interaction and making the most of the space. The living room thus becomes a warm and welcoming space, perfect for enjoying everyday life, gatherings, and moments of relaxation.~~From the main living area, there is access to a balcony that brings natural light and ventilation into the home. This outdoor space is ideal for enjoying a morning coffee, relaxing at the end of the day, or simply soaking up the pleasant Mediterranean climate that characterizes Torrevieja practically yearround.~~In addition, the property features an interior patio shared with a neighbor, a very practical space that provides extra ventilation and multiple uses. Next to it is a separate laundry area, designed for greater convenience and to keep household chores organized without taking up space in the main living areas.
