

apartment for sale Villajoyosa, Marina Baixa

REMAX Inmómás presents an exclusive residential complex in the lively city of Benidorm. This unique offering consists of 52 properties, including apartments, ground-floor units, and penthouses, all designed with attention to detail to maximize comfort and functionality. Located just 1 km from the sea, this development offers a perfect location to enjoy the Mediterranean lifestyle. The strategic position in Benidorm provides quick access to local services, entertainment, and recreational activities, making it an ideal choice for both year-round living and vacation getaways. The outdoor environment of these homes in Benidorm is designed to offer serenity and well-being. The private terraces are ideal for taking advantage of the sunny weather and admiring the views of the surrounding natural landscape. Some units also feature private gardens that expand outdoor leisure options. With the beach just 1 km away, residents can easily enjoy the sea and its charms year-round. Additionally, the common areas feature well-maintained gardens that provide a green space for collective enjoyment. In this residential complex in Benidorm, REMAX Inmómás guarantees interiors where modernity meets comfort. The apartments include elegant ceramic floors that facilitate daily maintenance. Security is ensured through video intercoms and integrated electric shutters. The kitchens are fully equipped with premium appliances, while air conditioning provides climate comfort throughout all seasons of the year. With two bedrooms and two bathrooms in each unit, along with efficient built-in wardrobes, these homes offer ideal spaces for both families and couples. The common areas within the residential complex are designed to promote community living and offer multiple leisure options to residents. The community gardens create a serene environment perfect for walking or relaxing outdoors. The community pool stands out as a central point of the complex, providing an ideal place to cool off and socialize during hot summer days. These facilities allow residents to fully enjoy life without the need to leave the premises.
