apartment for sale Villajoyosa, Marina Baixa

We offer you a beautiful, spacious apartment, just 100 meters from the sea, the beach, and a large park. This is a completely new, isolated area, where commercial infrastructure will soon be built.~~There are very few such beautiful, quiet places right on the coastline left. And prices here are constantly rising. A Vel'Alternativa on Poniente Beach in Benidorm is significantly more expensive.~~The urbanization is private and very green. You'll rarely find such lush and well-maintained landscaping here. Here and inside the complex, you'll feel like you're in a tropical park. The complex features a swimming pool for adults and children, a coworking space, a workout area, relaxation areas, and a wonderful spa complex with Finnish and Turkish saunas and whirlpools.~How pleasant it is to relax there in the winter...~~The apartment is very spacious and well-zoned. The highlight of this apartment is the huge terrace, which literally frames the entire apartment. There's plenty of space for dining and relaxing. The additional utility terrace is also very convenient for living.~~The apartment is very bright and cozy.
