

country house for sale Albox, Valle Del Almanzora

This charming traditional cortijo is arranged over two floors and enjoys truly exceptional mountain views, generous outdoor spaces, and a peaceful setting in the countryside. The property offers a large front terrace area, a private rear patio and an additional separate section of land, making it ideal for those seeking space, character and potential in a rural environment. Set just below the historic Saliente Monastery, the cortijo is surrounded by dramatic scenery and walking routes, while the market town of Albox, with its full range of amenities, can be reached in approximately 20 minutes by car.~~A quiet no-through road leads up to a sliding gate at the front of the property, opening into a spacious patio area that is shared with the neighbouring cortijo. From here, the front door opens into a welcoming entrance hall, with rooms positioned on either side. To the right is a double bedroom, while to the left is a room currently used as a dining room, which in turn leads through to another room set up as a double bedroom.~~Continuing through the property, you reach a spacious living room featuring a large open fireplace, creating a cosy focal point and an ideal space for relaxing. Beyond this lies a very generous kitchen-diner, fitted with a complete range of cabinetry and appliances, and offering plenty of space for family dining. From the kitchen, there is access to the bathroom, which is split into two separate areas, one housing the sink and bathtub with overhead shower, and the other containing the toilet. This area also provides direct access to the rear patio, a lovely private outdoor space. Also off the kitchen is an additional room currently used as a double bedroom, which is where the staircase to the upper floor is located.~~The top floor offers significant potential and is largely a blank canvas for the next owner. It comprises several large rooms, some currently arranged as bedrooms and others used for storage, all of which could be reconfigured to suit individual needs, whether for additional bedrooms, living space, studios or storage.~~A character-filled cortijo with beautiful views, outdoor space and excellent scope to personalise.~~For further information about this property or to arrange a viewing, please contact us.
