

country house for sale Alcublas, Serranos (Los)

Large 19th century town house of 290 m2, four bedrooms, two terraces, laundry room with paellero, and landscaped interior patio. It is located at the entrance to the town on one of its main streets (C/ Colón) facing three streets.

It has three entrances, a large main entrance, another on a side street that leads to the house through a restored landscaped patio where the wine cellar was formerly located, and another door on the back street for the garage.

It consists of three floors:

On the first floor are the kitchen (two rooms), the bathroom, a large bedroom above the old oil basement, a living-dining room decorated with modernist tiles and carved wooden cupboards, a woodshed (old stable), a laundry room with a paellero. and separate storage room.

The second floor (accessed from two different stairs) has three large rooms, decorated with period furniture and ceilings with wooden beams, a hall with a sewing machine, a very sunny winter living room, and an open terrace. and another interior room. The old granaries (atrojes) are also located on the second floor.

On the third floor there is an open-plan attic room (old chamber), with a terrace and mountain views.

Note that it is sold with the original furniture and various objects from the old house.

This house is intended and directed for sale to those who enjoy and value antiques. Cupboards, antique mirrors, radio, hangers, antique tools, tiles, irons, jugs, grain measurements, etc. It has original chests (5) from the beginning of the 19th century, rocking chairs, as well as chests of drawers (3) (early 20th century) and various furniture and household items of the time. At the entrance you will find panels of Manises tiles from the end of the 18th century with the Virgin of Sorrows and Saint Anthony of Padua.
