

## country house for sale Arens De Lledó, Matarraña

- Rustic property in Arens de Lledó of 1.13 hectares with cultivation of almond trees and views of the Ports of Beceite.~  
The land has 120 almond trees in production between young and old in a total of 8,000 m2. The remaining 3,000 m2 is uncultivated terraced land.~  
Located less than 500 meters from the town, with access by road.~  
Possibility of building a new construction house on the uncultivated part of the land.~  
Panoramic views of the town, the Santa Bárbara mountain, Horta de Sant Joan and the Ports of Tortosa-Beceite. With the Algars river less than a kilometer away and an idyllic natural setting for nature lovers.~  
Ideal for the construction of a house a short distance from the urban center.
