

country house for sale Molvizar, Costa Tropical

Are you looking for a farm to grow subtropical crops and have your own farmhouse Here I present a farm with 100,000 meters and a farmhouse of about 120 meters. The farmhouse is to reform, the front porch is fine but it is an old building with a bedroom, living room and bathroom, the rest are stables. It would have to be reformed according to the needs of each one. The farm has more than 120 trees in production between Cherimoyos, medlars, avocados, almond trees and olive trees. In addition, it also has water from the Palmares cooperative for irrigation of 30 marshes and has its own water source. If you want to visit it, do not hesitate to contact us.
