

country house for sale Salinas, Alt Vinalopó

The Ultimate Renovation Project: A Historic Icon in Salinas Set amidst the rolling hills of Salinas, this magnificent estate represents the authentic Mediterranean lifestyle. The property sits on a vast 51,291m² plot, divided into productive almond groves and a peaceful private pine forest. The heart of the estate is the 883m² historic construction dating back to 1920. The buildings retain their original character, featuring two houses, spacious "bodegas," and traditional patios. While the estate requires a full restoration, the solid infrastructure—including mains electricity, drinking water, and irrigation water—provides a perfect head start. This is a "blank canvas" of epic proportions for investors looking to create a highend rural sanctuary in the Alicante interior.
