country house for sale Villanueva De La Concepción, Antequera

Exceptional and Unique Farmhouse with great Landscape and Recreational Value, very suitable for Yeguada due to the quality of its pastures and location

It has 106 hectares (1,060,000 m²) under a boundary and located 4 km from Villanueva de la Concepción, 17 km from Almogía, 19 km from Antequera, 35 km from Malaga and very well connected with access from the A-45 highway and also from the AP-46 highway

Cortijo-Livestock Farm, with excellent quality pastures, for Equine, Bovine, Goat or Sheep. Area of 106 hectares (166 bushels), of which 27 hectares (43 bushels) are farmland, located in front of the farmhouse. Perfect for vineyards...or for a stud farm.

House-Cortijo of approximately 700 m², with two levels or floors

Natural area of incomparable beauty and unique, located 920 meters above sea level, and protected from the north winds by the mountains, with views of the Guadalhorce Valley and its towns as well as the Bay of Malaga (on clear days see the sea and the coast of Africa).

Magnificent for Rural Tourism, Farm School, Rural Hotel, etc...

Located 35 minutes from Malaga capital or 40 minutes from the Airport, on the slopes (south side) of the Sierra del Torcal Natural Park, declared a World Heritage Site.

Price: 3,200.000.€
