## country house for sale Villanueva De La Vera, La Vera

The best-equipped property for sale to celebrate all types of events in the northern area of Extremadura.

If you are thinking of acquiring a fully operational business or perhaps a property to build your home in the La Vera region, this is your best opportunity.

Located in Villanueva de la Vera, a town known for its spectacular natural environment, its gorges, its popular architecture and for being the most popular town for tourism in the northern area of Extremadura. Finca Peralta is a reference for celebrating all types of events, surrounded by immense gardens full of flowers that create a charming atmosphere. Every corner of the property is designed to create the best environments for all types of celebrations.

The property has fully paved access, a fully equipped living room-kitchen, two warehouses and two complete community services.

All this together with its location and its unbeatable price make this a unique opportunity both to start making money from the beginning and to build a home with immense gardens and unparalleled views of the Sierra de Gredos and all its surroundings. Don't wait any longer, come visit it.
