

duplex for sale Alicante Centro 03001, Alacantí

A magnificent opportunity to live in the most central area of Alicante. I am selling a 121 m² duplex penthouse with a terrace on Bazán Street, a privileged location 5 minutes from the beach and the promenade, the commercial area and the beautiful Old Town. East orientation, midday light. On the first floor the house has a double bedroom or office and a large 20m² living room. Both rooms have large loft-style windows. Following it, communicating with the interior patio, is a well-kept kitchen and a complete bathroom with a bathtub. The marble staircase leads us to the second floor, where we find a magnificent 19 m² master bedroom, also in marble floors, bright windows and built-in wardrobes, as well as an outdoor bathroom with a large shower, another additional room with built-in wardrobes and lastly a nice terrace. In addition to this relaxation area, the penthouse has a solarium on the roof that could be connected to the terrace if another staircase is incorporated.

From individual to individual.
