

duplex for sale Gandía 46702, Safor

Beautiful duplex on the top floor of the building. It has four large bedrooms and three bathrooms. It has a comfortable fireplace in the living room for winter days and ducted air conditioning/heat pump. On the lower floor there is a living room, a huge kitchen, a full bathroom and a bedroom. On the upper floor there are three very large bedrooms and two bathrooms, one of them en suite with the main room. The main room has an attic which gives it a very romantic and cozy air. It is very close to the center of Gandía, a step away from the Plaza del Prado where there are many restaurants, bars and a lot of atmosphere. The house is practically new, ready to move into. The duplex is a spacious luxury almost in the center, very nice and cozy.
