duplex for sale Las Chafiras, Zona Sur

Cozy and bright semi-detached house located in Llano del Camello, a well-located area, which has public facilities for children and adults: health center, public school and future construction of an institute, upcoming opening of a shopping center, several sports gyms, public sports courts, large public park... Highly sought-after area.

It has 4 bedrooms, 3 bathrooms and a toilet; two of the bedrooms with a bathroom included.

Kitchen equipped with Bosch appliances (including dishwasher) and utility room.

Very spacious and bright living room, with two large windows that lead to a terrace equipped with a pergola and barbecue. With views of the main avenue and without buildings that limit the view.

High-end air conditioning.

Storage room and two parking spaces that communicate directly with the house.

Community pool and garden areas.

Please, refrain from contacting me the real estate agents.
