

duplex for sale Mercado, Alacantí

The building is an old building from 1926, the building is renovated and has passed the IEEV. It has an elevator and the height of the floor is 3rd and last.

The ground floor (105m²) is distributed by an open-plan living room, a bedroom, a kitchen with a utility room and pantry, and a bathroom. The upper floor (50m²) is made up of two diaphanous rooms in the form of an attic with a bathroom. The exterior carpentry is aluminum with double glazing and thermal cut, pre-installation of air conditioning and armored door keeping the original. The entire ground floor is exterior. The kitchen is unfurnished but the price includes a kitchen model that can be installed or discounted from the price of the house.
