END-OF-YEAR OPPORTUNITY – Parking Spaces in Central Torremolinos

From €15,300 | High profitability | Secure investment | Indoor, outdoor and EV-ready parking spaces | Modern building (2020)

If you are looking for a secure purchase before the end of the year, this is one of the smartest and most affordable investments on the market: very small investment, minimal expenses and extremely high demand in the area.

*Ideal for personal use or investment

- Forget about driving around looking for parking every day.
- In areas where parking is almost impossible, these spaces increase in value on their own.
- Perfect for renting to residents, workers and tourists.
- Fast and stable profitability throughout the year.

*Types of parking spaces available

Choose the one that suits you best:

- Indoor spaces: spacious, protected and with very comfortable maneuvering.
- Outdoor spaces: quick access, ideal for frequent use.
- Spaces with pre-installation for electric vehicles: perfect if you already have an EV or want a future-proof parking space.

All located in a modern building (completed in 2020), very well maintained, well lit and with wide, comfortable access areas.

*Excellent location

Right in the center of Torremolinos, a quiet and highly demanded residential area, just a few meters from:

- Train station
- Shopping area
- Post office
- Courthouse

A location where parking is extremely difficult, guaranteeing constant demand.

*Advantages of buying before the end of the year

- A great opportunity to close small operations under very favorable conditions.
- Ideal for those who want to invest with little money and secure a high-demand asset.
- A stable, profitable purchase with assured value appreciation.
