

hotel for sale Altea, Marina Baixa

On the shores of the Mediterranean, nestled in the heart of Altea, the town known for its healing touch, stands La Campaneta. A plot of over 2,200 m2 with two buildings, it is one of the few remaining estates from the 19th century still standing. This historic site, with its heritage value, is located right in the old town, surrounded by stunning landscapes and situated in one of the most sought-after spots along the Alicante coast.~~This manor house is now an integral part of Altea's landscape and one of the finest properties on the Costa Blanca. It remains listed in Altea's catalogue of specially protected properties, classified as a "Property of Local Relevance" for its representation of suburban and leisure architecture from the early 20th century.~~Its two glazed domes, in a blue scaled design similar to those crowning the main dome of the town's parish church, the fully restored chapel-oratory, and the unique hydraulic flooring that adds personality and vibrancy, make La Campaneta a place that leaves no one indifferent—an architectural dream come true for those fortunate enough to experience it.~~What more could you need? Take advantage of this unique opportunity to invest in a space that already has it all.
