house for sale A Fontegrande, Ferrol

House for sale with land in Villarrube beach.

House for sale to reform, has a plot with sea views.

The constructed area is 252 m2 and the plot is 685m2.

The house is actually 2 houses together. One has a new roof and the other has an old roof. It has many possibilities: The one with the new roof has 2 bedrooms and a bathroom upstairs; It should be done in the lower part, which is the exposed stone, a living room and the kitchen. Tear down the part of the old one and add it to the plot.

Another option is to throw everything away and build a new house on the plot, which has stunning sea views.

Another option is to fix the house, which depends on what you want, is habitable.

The house has electricity and water.

Fantastic price for the possibilities that the house has. Ideal for people who come to surf (Pantin Surf Classic Meeting) and who for little money, want a home or to spend a vacation.
