

house for sale Aiguamúrcia, Alt Camp

Not all homes can boast of space. And then there are those that are simply in a league of their own.~~In Aiguamurcia, surrounded by nature and with good links to the main roads, this villa of over 700 m2 offers a way of life without the constraints of square metres.~~The arrival sets the tone: a large terrace at the entrance, perfect for breakfast in the sun, afternoons spent reading or that first thought of “it’s so lovely here” even before you step through the front door.~~Inside, the livingdining room unfolds with confidence. Spacious, lightfilled and featuring a fireplace, it becomes the heart of the home all year round: in winter, with a blanket and a fire; in summer, with open doors and a breeze. The generously sized openplan kitchen complements the rhythm of the home and is complemented by a separate gallery that adds functionality without compromising on aesthetics.~~The property comprises one double bedroom and three single bedrooms, versatile and adaptable: bedrooms, an office, a games room... here, the space adapts to those who live in it. The full bathroom conveniently serves the sleeping area.~~And then there is the exterior, which is not an afterthought, but the star of the show. A spacious plot with a private swimming pool for hot days, a barbecue area for gatherings that go on for hours, a covered porch to extend afterdinner chats, and more than enough space to park several cars without hassle or impossible manoeuvres.~~A villa designed for those seeking genuine space, a connection with nature, and a home where every corner has a purpose.~~Shall we arrange a viewing? You’re going to love it!~~Call now on ([please use the form to respond]) and ask for more information.
