The house:

The house is elevated which favours splendid views over the whole estate.

The perimeter of the house is concrete.

Twenty metres from the house there is a picnic area with two benches and a stone table under a centenary oak tree where you can rest and admire the landscape.

It is a beautiful country house which is composed of:

1 living-dining room with fireplace

2 bedrooms with complete bathroom and fireplace each

1 children's bedroom with 4 beds (2 bunk beds)

1 toilet

1 fully equipped and new kitchen

The furniture in the dining room and bedrooms is made of solid, hard-wearing hardwood. The kitchen consists of:

Dishwasher.

Vitroceramic hob.

Extractor hood.

Washing machine.

Oven.

Microwave oven.

Fridge.

Water heater.

Wooden furniture.

Stone worktop.

Warehouse:

Diaphanous warehouse of 386 m2.

Wide doors to be able to introduce any type of heavy machinery.

Next to the warehouse there is a storage silo.

It has an access door to the outside road.

Artificial pond:

Decorative artificial pond ideal for keeping ducks, geese, fish or turtles.

Electricity

Electricity is connected through the transformer which is built into the fence.

Both the tower and the electricity line are the property of the owner of the property.

It has enough power to support both domestic and industrial needs.

Water

There are two water wells on the property which supply a 16,000 litre water deposit buried next to the house.

At present the water supplies the house, the shed and the artificial pond, but it is planned to be able to connect to irrigation and watering troughs as required.

The price is negotiable depending on the method of payment.
