## house for sale Altorreal, Vega Media Del Segura

Hello! I am your awesome and amazing potential new home!

Enjoy seeing a bit of me in these few photos and the 6 videos that have been made of me recently, but when you come to visit me you will see everything better and many more surprises that I have to show you that you will surely like and will not leave you indifferent.

I would like you to contact me with your email and telephone number so that I can contact you and send you a more formal, detailed and complete presentation, as well as many more photos of me, some 240 photos that my current owners have taken of me, very cool, with all the details so that you appreciate my value more and incidentally also to provide us with all the information we need during the process via e-mail.

I have a lot to tell you and teach you in this presentation, in this brief space it does not allow me all the explanations I need to give and not even upload all the photos I want to send you.

For privacy, my owners have preferred to do it this way to have better control of everything and provide you with the best personalized attention, thus avoiding real estate agencies that are not of interest to you or theirs, that is why you will not find more than this ad and nobody can help you more than my direct owners.

If you need professional help, together we will look for everything you need in the process, from financing to translators included. If you do not speak Spanish, my owners in English can assist you without problem.
