

house for sale Amposta, Montsià

The Miralles house in Amposta, built in 1580, is a building included in the Inventory of Architectural Heritage of Catalonia. ~It is a residential building that includes a medical dispensary and a second independent house with several rooms where people serving the main house resided.~~The house, with a facade to 4 streets, an entire block, has a ground floor and two floors, an attic and a large patio. The facade maintains the original ornaments, such as the stone archway of the main door, the stone plates that frame the windows and balconies of the upper floor and the corners of the house, and even a sundial. ~~~The interior of the house has been transformed over the years, currently the right side of the ground floor preserves the medical dispensary, with all the furniture, books and modern medical devices from the 1940s-50s. On the left side, where the well, stables and trough for the animals used to be, there is now a large warehouse and access to the courtyard. In the center, a magnificent hall welcomes you.~~On the first floor there is a kitchen, 2 dining rooms, 1 office, piano room, 6 bedrooms, 5 of them double, , living room with fireplace, 2 bathrooms, a large terrace, and all decorated with furniture with personality, worthy of the most prestigious antique dealer.~~Each of the rooms reminds you and transports you to a previous era. On the second floor we find a large open room and higher up we find the attic and a large roof terrace with spectacular views of the main square of the city.~~The opportunity to acquire an emblematic home with history.
