house for sale Bahia Dorada, Costa Del Sol Occidental

Maíz y Díaz architecture project, with technological innovations and residential sea views on the beachfront on the Costa del Sol. Located in an environment that offers absolute privacy, green areas and exclusive state-of-the-art facilities. The Costa del Sol is an attractive option for buyers seeking a luxurious Mediterranean lifestyle in one of the most sought-after and best-established residential destinations in Europe. Located in the western coastal area of Estepona, the most select of the municipality. This project was named "The Island" to capture the essence of its privileged location: a haven of serenity and security in an enclosed area, in the heart of one of the best residential areas on the coast, isolated from other nearby urbanizations and next to a large pine forest and green areas. The house has four bedrooms 451 m2, including the basement, ground floor, first floor, terraces and solarium. With an innovative design that enhances natural lighting. It has a private terrace with Jacuzzi, pergola, floating deck and barbecue area. in addition to its own underground garage, with direct access to the house through a large service area, as well as common parking spaces for guests. On the ground floor they have a fireplace, underfloor heating system (water system in the living areas and bedrooms, and electric in the bathrooms), hot and cold air conditioning, dressed interior closets, in addition to home automation systems . On the first floor three bedrooms and bathrooms. In the Solarium there is a kitchen equipped with barbecue, Jacuzzi and stunning views of the sea. The Island is just a few minutes walk from the Estepona marina, close to the city center and with exceptional connections to Puerto Banús, Marbella and the airports of Malaga and Gibraltar.
