

house for sale Bordón, Maestrazgo

STATELY MANOR HOUSE WITH PRIVATE GARDEN

This is a building of noble architecture with 939 m² built on 3 floors (313 m² per floor), with paintings decorating the walls and ceilings, a period kitchen and spacious, light-filled rooms. It also has a private garden of 415 m² with views of the Maestrazgo mountains.

The authenticity that surrounds the house, with a pebbled floor in the entrance hall, original mural paintings in many rooms, decoration and period tools, among others, gives a special uniqueness to each of its corners. The original press located in the courtyard and the wine cellar also stand out.

Located in the heart of the town, it enjoys magnificent views of the Church of the Virgen de la Carrasca, a Catalogued Asset of the Aragonese cultural heritage, unique in the region, as well as direct access to the Salvador Dalmau square, the nerve centre of the municipality. In addition, the privileged natural environment in which it is located is ideal for outdoor sports (hiking, cycling routes, bathing areas, etc.). It is also close to many tourist attractions in the area, in the heart of the Maestrazgo region, full of villages with a special charm and of great architectural, cultural and gastronomic interest.
