house for sale Castropol, Eo-Navia

Beautiful rural house in the center of the urban area of a small, very touristy and charming village on the coast of Asturias. The house could be divided into apartments, it has a back garden and a central patio. It is located in front of the town park, there is the possibility of buying an adjoining terrain where about 6/7 cars could park. The village has a little port on the river mouth . As well as several beaches very close by. It is a good opportunity to invest.
