

house for sale Cee, Finisterre

Detached house in the center of Cee (province of A Coruña, Galicia, Spain) that with a reform would be impeccable. It consists of a commercial basement (30 m2) and three floors. 1st floor with bathroom and "American" kitchen and living room. 2nd floor with three bedrooms and 3rd floor with facade and roof terrace. **THE PRICE IS NEGOTIABLE.** With a small investment you could take advantage of the top floor and build under ceiling (allowed in the planning for this house and adjoining houses).
